Medals of Excellence: Celebrate Achievement

As a wholesaler supplying medals and awards since 1994, at **Crystech** we pride ourselves on not only the quality of our products but in the high level of prompt and reliable service and the personal attention we give to our valued customers.

We have always maintained a 'strictly trade' policy and stock one of the largest and widest range of centre holders and medals in the UK, where we have established an excellent reputation for quality products, exceptional service, competitive prices and value for money.

Our extensive range of medals covers 1" and 2" centre holders, and sporting and achievement medals to suit every budget or occasion. Medal sizes available range from 42mm to 70mm with finishes in gold, silver, copper and bronze.

Complementing our wide range of medals are our high-quality woven ribbons, presentation cases, deluxe boxed crystal, and glass awards.

All of our new and existing products can be viewed on our website.
